

OCTOBER 2017

Manly Women's Shelter is a non-profit organization funded through corporate sponsorship, private foundations, sporting groups, Council grants and ongoing contributions from generous individuals.

More than 300 women on the Northern Beaches have sought refuge and support and benefited from the shelter's services.

In 2016, the Shelter supported 77 women, with a total of 3,284 bed nights.

There are a number of reasons why women seek shelter, including domestic violence, mental health reasons, financial hardship and drug and alcohol abuse.

Trained and experienced welfare workers continue to provide a safe place for women seeking shelter and on-site support 24-hours a day, 7 days a week.
